MANCHESTER

CRITICAL
MASS

MASS

MEET

5 FRIDAY 26TH
PM SEPTEMBER
WHITWORTH PARK
OXFORD RD

Join the festival of resistance against car culture. Critical Mass is a collection of cyclists who ride monthly through the streets to protest against our society's obsession with the personal automobile. It is a call for alternatives. It is a celebration of one beautiful and simple alternative: the bicycle. (Skateboards, roller blades, roller skates, tricycles all welcomed too.)
