

Cambridge Indymedia presents:

7:30 pm Sun 2 November

film @ the Locomotive pub 44 Mill Road

Shebab Daiya

Life in the Promised Land

A grassroots film of everyday struggle in the Occupied Territories in Palestine. Made in 2003 by videographers working with the **International Solidarity Movement (ISM)**, this film is a close-up view of the terrifying violence deployed by the Israeli military against the stone-throwing youths of the Gaza Strip.

Suggested donation £2 to Cambridge Indymedia
