

Cambridge IndyMedia Presents:

7:30 pm Sun 14 December

Film @ The Locomotive 44 Mill Road

The Fourth World War

A war without a battlefield.
A war without an enemy.
A war that is everywhere.
A war without end.
And those who resist.

“A powerful, radical cry from the front lines of the war on people. This film captures the spirit of resistance: it is as beautiful and global as humanity itself.” – Naomi Klein
