THE FOURTH WORLD WAR

a global network of independent media and activist groups

From the frontlines of conflicts in **Mexico, Argentina, South Africa, Palestine, Korea, 'the North' from Seattle to Genova, and the 'War on Terror' in New York, Afghanistan, and Iraq,** this is the story of men and women around the world who resist being annihilated in this war.

"The Fourth World War" brings together the images and voices of the war on the ground. It is a story of a war without end and of those who **resist.**
