An evening of Independent documentary, features, shorts and clips

UNPRECEDENTED: THE 2000 PRESIDENTIAL ELECTION

Thurs 1st April - 8:30pm @ Midlands Arts Centre

'How George W. Bush stole the presidency of the United States... and got away with it' - Unprecedented is the multi-award winning, highly compelling documentary of the battle for the Presidency in Florida and the undermining of democracy in America. Filmmakers Richard Ray Pérez and Joan Sekler examine modern America's most controversial political contest: the election of George W. Bush. What emerges is a disturbing picture of an election marred by suspicious irregularities, electoral injustices, and sinister voter purges in a state governed by the winning candidate's brother.

Also showing - Eye of the Storm's short film, **'Indymedia Argentina'** trailer for **'Indefensible - DSEi 2003'** and shorts from the **European NewsReal**. There will be a discussion hosted by Bristol and Birmingham Indymedia.
