Indefensible

DSEi 2003 - actions, protests and blockades against the Defence Systems and Equipment international arms fair which took place at the London Docklands last September. While multinational arms dealers were selling killing machines to regimes with atrocious human rights records, a colourful resistance mobilised...

We Interrupt This Empire...

This film documents the direct actions that shut down the financial district of San Francisco in the weeks following the United States' invasion of Iraq in 2003.
