

Cambridge Indymedia presents:

7.30pm Sun 16th January

film @ The Geldart, 1 Ainsworth St

*The Yes Men* follows a couple of anti-corporate activist-pranksters as they impersonate World Trade Organization spokesmen on TV and at business conferences around the world. The story follows Andy and Mike from their beginnings with GWBush.com, and on to their tasteless parody of the WTO's website. Some visitors don't notice the site is a fake, and send speaking invitations meant for the real WTO. Mike and Andy play along with the ruse and soon find themselves attending important functions as WTO representatives.
