

CRITICAL MASS TO THE DSEi DEATH DINNER

**Thursday 15th September
6.15pm sharp, Eros, Piccadilly Circus**

Bring bikes, bells and beautiful people to ride against the DSEi death dinner.

We'll have a gentle jaunt around the London streets, before ending up at the big NOISE demo outside the Dorchester Hotel, where the DSEi delegates will be feasting.

This may be our final chance to disrupt the business in death, so let's make it a big one !!
