Renoir Cinema, Brunswick Centre, London WC1N 1AW
 Box office and information: 0870 850 6927.
 Tickets 6 pounds full price

Last year the documentary *Inside Deep Throat* was publicised as a film which spoke of the *fight for freedom and sexual revolution*. The London Feminist Network picketed screenings across London and as a result of their actions they have worked in collaboration with the Curzon Cinemas, the all-female film distribution network *Cinenova*, and *Scary Little Girls Productions* to give mainstream porn films such as this a broader context.

"The REAL fight for freedom and the REAL sexual revolution is the one leading up to a day when women and children are no longer systematically abused, battered, raped and killed - a day when the abuse, battering, rape and murder of women and children has ceased to be entertaining." Beatriz LFN.
