

"BEHIND THE MASK"

a unique documentary focusing on those individuals who take direct action to save animals. It's a film the government doesn't want you to see.

A screening of this important film, together with a presentation by author Keith Mann of the book

"From Dusk til Dawn-An Insider's
View of the Animal Liberation
Movement"

**7.00pm, 14th of February 2008,
Chapter Arts Centre, Market
Road, Cardiff.**
