'A creeping transfer in the West Bank and a measured genocidal policy in the Gaza strip are the two strategies Israel employs today. From an electoral point of view the policy in Gaza is problematic, as it does not reap any tangible results; the West Bank under Mahmoud Abbas is yielding to Israeli pressure and there is no significant force that arrests the Israeli strategy of annexation and dispossession'. Ilan Pappé

Ilan Pappé has written extensively on the politics of the Middle East, his books include:
The Ethnic Cleansing of Palestine
The Israel/ Palestine question
A History of Modern Palestine, one land, two peoples.
