MAY THE FOURTH BE WITH YOU

Over the years Mayday has been a time to celebrate ordinary people's struggles against global capitalism. The growing anti-militarist movement is a part of that struggle. On May 4th people from across the UK and beyond will come to Brighton in a show of force against EDO MBM/ITT, an arms manufacturer who profit from the suffering of civilians in Iraq, Afghanistan and Palestine. EDO MBM/ITT do not operate in a vacuum. The weapons they manufacture couldn't be produced without the support of other corporations; investors, business partners and companies providing services to them. This map plots the network of companies complicit in ITT's crimes in Brighton.
