

## **:: Registration Form ::**

---

We would like as many people to pre-register for the Conference as possible because it will

- a) help us plan the event much more effectively and
- b) enable us to be able to fund some of the major costs (like hiring the venue)

There will be an opportunity to register on the first day of the Conference between 9-10am, however registration on the day will be more expensive and there may be long queues.

*So save yourself the bother and register for the anarchist movement Conference today!*

### **Affiliations**

Are you a member or supporter of a particular anarchist group, national federation or other anarchist organisation? If yes which one(s)?\*

---

### **Activities**

Are you interested in or involved with, any specific campaigns, networks or issues?\*

---

### **Location**

Which town, city or other location are you currently living?

---

### **Accommodation**

If you live outside London use this space to let us know if you would appreciate help to find accommodation for the weekend and any requirements

---

### **Skills**

Have you any particular skills (eg. British Sign Language or meeting facilitation) that you would be prepared to offer, if necessary for all, or part of, the Conference weekend?

---

If you can offer a skill such as the above it would be brilliant if you returned your registration form as soon as possible

**\* Why are we asking you for such potentially sensitive info?**

One of the stated aims of the Conference is to encourage you to ask challenging questions of yourself and your movement. Participants will be allocated into discussion groups from as diverse a range of backgrounds as possible, be that geographically, politically, in experience - or the lack of. The information on this form is strictly for allocating people into successfully diverse groups and will remain confidential. Anyone planning on attending the conference with a 'pre-set agenda' or to make political 'interventions' will be actively discouraged by the facilitators and, we hope, other conference participants.

**Access**

The venue is fully accessible to wheelchair users and those with mobility problems. If you require a carer or personal assistant, they can attend free of charge, please let us know they will be coming. If you have any access requirements or concerns please state these

---

---

**Deaf or hearing impaired**

Will you require signer/note-taker to assist you during conference?

---

**Childcare**

A crèche is being provided and staffed by registered child-minders for both days of the conference.
