Corrections and further info is welcomed if you have it.

Central to the case is their alleged authorship of a book, *The Coming Insurrection*, and their association with what the French government has termed the “anarcho-autonomous movement”. Current details are hard to come by but it is believed only 1 may not be out on bail. **Updates would be welcomed!**

PRISONERS WHO WELCOME SUPPORT - OCTOBER 2010

ITALY (More info: http://www.informa-azione.info/indirizzi_detenuti)

***Il Silvestre* prisoners**

Il Silvestre is an eco-anarchist organisation originally based in a social centre in Pisa, Tuscany. They publish a radical ecologist magazine called *Terra Selvaggia* (Wild Earth). They have been under attack for quite a few years now, since they received and published a communiqué written by another anarchist group called COR (*Cellule di Offensiva Rivoluzionaria*: Revolutionary Offensive Cells) in 2006. Since then many of the people involved have been arrested, mainly for terrorism and subversive association charges.

Leonardo Landi, Casa di Reclusione, Via Casale 50/a, 15040 San Michele (AL), Italy. Leonardo was arrested in November 2009. He had been on the run since May 2008. The police had issued an international warrant for robbery and subversive association against him and others. He's been found guilty of robbery and sentenced to 6 years in July 2010, however he's been acquitted of the charge of subversive association.

Alessandro Settepani, Casa di Reclusione, Via Casale 50/a, 15040 San Michele (AL), Italy. Arrested in early July 2009 after a night of police raids all over Italy (about 40) under article 270 bis of the Italian criminal code (related to "subversive association"). Alessandro and others were accused of attempted sabotage of the railway line Orte-Ancona, car theft and subversive association.

William Frediani, Casa di Reclusione, Strada Casale 50/A, 15040 San Michele (AL), Italy. Arrested in 2004. Accused of being a member of the COR (Revolutionary Offensive Cells, see above). During that year the COR claimed a series of arson attacks against local members of the right-wing party Alleanza Nazionale in Pisa, Tuscany.

Silvia: Regionalgefängnis Biel, Spitalstrasse 20, 2502 Biel/Bienne, Switzerland

Costantino: Regionalgefängnis Bern, Genfergasse 22, 3001 Bern, Switzerland

On the 15th of April the 3 were arrested at a check point near Zurich and charged with transport of and attempt to use explosive material. The police found explosive material, a detonator and a communiqué about the IBM nanotech research labs in their car. Costa, Silvia and Billy are eco-anarchists linked to the Italian group *Il Silvestre* and to the Swiss eco-anarchist prisoner Marco Camenisch. All mail is translated by the state into German and censored, so don't send anything overtly political or they may not get it.

Albert Woodfox's conviction was overturned in July 2008, but they still won't let him out... Albert Woodfox, Herman Wallace and Robert "King" Wilkerson, are still known by their campaign name The Angola 3 (King was released at the beginning of 2001). They initially arrived at Angola with sentences for unrelated robberies. Their subsequent activism made them targets of the all-white prison administration and all 3 were subsequently fitted up in prison for murders and got life sentences. Herman & Albert are continuing their struggle to prove their innocence. Both have petitions pending before various courts and a lawsuit having spent most of their 35 years in solitary confinement. She was arraigned before Manhattan federal Judge John Koeltl. This is an obvious attempt by the U.S. government to silence dissent, curtail vigorous defense lawyers, and install fear in those who would fight against the U.S. government's racism, seek to help Arabs and Muslims being prosecuted for free speech and defend the rights of all oppressed people.
