

DEMONSTRATION

The *Nuba Mountains Solidarity Abroad* urges you to act with us to expose Bashir the Butcher of Darfur, Abyei and Nuba people.

His criminal gangs are committing genocide and the West is sat watching as his regime grabs the land of our brothers and sisters.

Please join the demonstration as part of our action to stop the mutilations, rape and torture that are part of this ethnic cleansing.

YOUR HELP IS MUCH NEEDED

Saturday 18th June

12:30pm
